# RTC
RENTON TECHNICAL COLLEGE®

Information Technology Programs

Affordable tuition and convenient evening classes are just two benefits of choosing RTC. Earn your Bachelor's degree in Computer Network Architecture.

[Priority Application Deadline: January 31st]

Bachelor's students will gain a deep technical foundation in designing and implementing computer and information networks; performing network modeling, analysis and planning; and implementing advanced cloud and virtualization technologies at the enterprise level. To be eligible for the Bachelor's program, students must have an Associate's degree in IT.

Don't have your Associate's degree just yet, start in RTC's computer network technology program.
